National Treasury
REPUBLIC OF SOUTH AFRICA

Light, compact, and fast, the MX431adn multifunction supports output up to 42 pages per minute*, plus double-side automatic scanning, copying, faxing and touch-screen convenience. Connect via USB or Gigabit Ethernet and add an optional 550-sheet paper tray or available Extra High Yield Unison™ toner offering up to 20,000 pages of output**.

Compact monochversatilityrome

- Get monochrome output at up to 40 pages per minute*, with a first page as fast as 5.9 seconds.
- Capture documents with double-side automatic scanning at up to 92 A4-size images per minute.
- Tackle your workload with the power of a 1-GHz dual-core processor and 512 MB of memory.

Compact dimensions of 339 mm high x 411 mm wide x 366 mm deep help it fit almost anywhere.

Sustained output, enduring quality

- Available Extra High Yield Unison™ toner provides up to 20,000 pages** of output sheets for more printing and less downtime.
- Optional paper tray increases total input capacity to 900 sheets to support longer print runs and enhanced media flexibility.
- Steel frame and lifetime imaging components mean long life and minimal maintenance.

Robust, built-in security

- Lexmark's full-spectrum security architecture helps keep your information safe—in the document, on the device, over the network, and everywhere in between.
- A range of embedded features harden the device against attacks.
- Standard Confidential Print feature helps ensure output security via simple PIN.

- 1 Multifunction product with 7.2 cm touch screen
339 x 411 x 366 mm
- 2 100-Sheet multipurpose feeder
Dimensions included as part of base model
- 3 250-sheet tray
Dimensions included as part of base model
- 4 550-sheet tray
107 x 370 x 378 mm

Standard
 Optional

Save paper, save energy

- Automatic two-sided printing is standard.
- Built-in energy-saving modes help support ratings of EPEAT® Silver and ENERGY STAR® certified.
- The Lexmark Cartridge Collection Programme (LCCP) and Lexmark Equipment Collection Programme (LECP) minimise waste and support recycling (availability varies by country).

Connect and command

- Connect via Gigabit Ethernet and USB.
- Take command of printing, copying, faxing, and automatic two-sided scanning with a 7.2 cm colour touch screen.
- Built-in cloud connectors help you save time to and retrieve files from popular cloud services Box, DropBox, Google Drive, and Microsoft OneDrive.

The Lexmark MX432adwe monochrome all-in-one brings scalable solution support and enterprise-level security to small workgroups at up to 40 ppm*. Compact size with Trusted Platform Module (TPM) standard. ** Print release capability and managed print services (MPS) eligibility. Large easy-to-use touchscreen provides consistent performance across fleet. Print from anywhere with standard Wi-Fi and full mobile support.

Scalable solutions increase efficiency and savings

- Monochrome all-in-one with Trusted Platform Module (TPM) standard. **
- With the embedded solutions framework on the MX432adwe, you can add Lexmark or other supported solutions, including third-party print release with badge reader.
- Large easy-to-use touchscreen provides consistent performance across fleet.

The right fit for your business

- Compact size integrates seamlessly into tight spaces in your work environment.
- Provides security and solutions to meet the stringent requirements of different industries.
- Managed print services (MPS) capabilities make this all-in-one a perfect addition to your printer fleet.

Stay protected with enterprise-level security

- Lexmark printers and all-in-ones are designed to help protect your data, your device, and your network.
- Includes standard Trusted Platform Module** that stores encryption keys on separate hardware from the data, along with authentication and system integrity checks.
- Lexmark's expertise as a leader in document and device security is trusted industry-wide.

Easy to manage without burden on IT staff

- Sensors continuously monitor hundreds of data points that provide added benefits, like predictive service and automatic supplies replenishment, when connected to Lexmark Cloud Services.
- Lexmark Markvision Enterprise is a free device management solution that makes it easy to configure device settings, update security policies, and schedule firmware updates.

Focus on business instead of printers

- You can count on the high performance of the MX432 with fast print speeds up to 40 ppm* and single-pass twosided scan speeds of 92 ipm.
- Print from anywhere with standard Wi-Fi and full mobile support.
- Steel frames provide durability and long-life reliability from the front office to the warehouse.

Working for the environment

- Automatic two-sided printing is standard, along with builtin energy-saving modes that help support ratings of EPEAT® Silver and ENERGY STAR® certified.
- Keep toner cartridges out of landfills with the Lexmark Cartridge Collection Programme (LCCP) that supports reuse and recycling (availability varies by country).

Put output at up to 70 ppm* in more places with the Lexmark MX720 Series, the multifunction products with features and performance to satisfy even large workgroups. Robust paper handling technology is designed to make printing more reliable, while long-life imaging components increase uptime and thoughtful engineering enhances serviceability. Available hard disk models enhance scanning performance and more.

Get more done

- Powerful 1.2-GHz quad-core processor and up to 6 GB of memory drives printing at up to 70 ppm* and scanning at up to 150 sides per minute.
- Robust paper handling includes reliable feeding of a wide range of media types and sizes and up to 3300 sheets of input.
- Available hard disk models include standard OCR and enhanced scanning capabilities.
- Connect via Ethernet, USB, or simple mobile printing options.

Interact with ease

- Intuitive 7-inch class/17.8-cm color touch screen offers smooth, tablet-like interaction with customizable convenience and productivity apps. Front access to the paper path and power button means you'll virtually never have to access the back of the device.
- Front access to the paper path and power button means you'll virtually never have to access the back of the device.
- Innovative serviceability features, starting with single-door access to parts and supplies, help you resolve problems quickly.

Ready when you are

- Long-life fuser and imaging components extend uptime.
- Unison™ Toner replacement cartridges deliver up to 55,000 pages** of high-quality printing (see specifications per model).
- Steel frame and durable design stands up to heavy use and harsh environments.

Full-spectrum security

- Lexmark's full-spectrum security architecture helps keep your information safe—in the document, on the device and over the network.
- Keypoint Intelligence - Buyers Lab honored Lexmark with a prestigious BLI PaceSetter award for Document Imaging Security***.

Built for planet earth

- Energy management features reduce power consumption in active use or sleep mode.
- Standard two-sided printing saves paper.
- Device is rated EPEAT® Gold and ENERGY STAR® certified.
- Recycle cartridges through the award-winning Lexmark Cartridge Collection Program (LCCP).

With the new MX953se monochrome A3 multifunction printer, you get reassuring versatility, exceptional sustainability, and surprising simplicity from such sophisticated technology. Boost your productivity with high-quality prints — up to 55 pages per minute*. Intuitively navigate the 10-inch (25 cm) color touchscreen, and save time with single-pass two-sided scanning. Effortlessly create everything your business requires, and custom configure your multifunction printer with interchangeable options tailored to your needs.

Versatile: Easy to Use

Create everything your business requires and anything you can imagine — from standard office documents to marketing brochures, booklets and posters — with broad media size support, high-volume printing, and exceptional paper handling and finishing capabilities.

Print crisp visualizations, charts and documents with deep blacks and smooth grays and a full range of media sizes so your customers can effectively communicate to co-workers.

Customers, and partners. Easily incorporate your multifunction printer into your workspace with a versatile, configurable design that saves space without sacrificing performance.

Boost your productivity with our rich suite of cutting-edge software and solutions with broad capabilities including scanning paper files directly into your cloud-based storage systems and automatically translating documents into 100+ languages.

Further your organization's digital transformation with direct integration into your critical workflows and core business systems using these IoT-enabled devices.

Simple: Easy to Manage

Quickly do what you need to do using an intuitive operator panel and easy-to-follow navigation.

* Print speeds measured in accordance with ISO/IEC 24734 (ESAT). For more information see: www.lexmark.com/ ISOspeeds.

** Average continuous mono declared yield in one-sided (simplex) mode up to this number of pages in accordance with ISO/IEC 19752. Actual yield will vary considerably based upon many factors. See www.lexmark.com/yields for more information. In demonstration of circular economy principles, genuine Lexmark supplies with Unison™ Toner may contain components recovered from the Lexmark Cartridge Collection Programme (LCCP).

*** The Trusted Platform Module (TPM) is not available in some countries.

The Lexmark CX735adse is designed for performance, security, and ease of use for mid-to-large workgroups at speeds up to 52 ppm*. Single-pass two-sided scanning, ultrasonic multifeed detection, and a 10-inch (25 cm) tablet-like touchscreen make handling your print jobs easy. Toner cartridges that yield up to 28,000/16,200 black/color pages** keep you going.

Made to last. Easy to upgrade.

- With durable steel frames, long-life components and highyield cartridges, printers are intentionally engineered to last seven years or more.
- Long-lasting Unison™ Toner delivers consistently outstanding print quality, reduces internal wear on long-life components, and protects the print system.
- Easily upgradable to the latest apps and security features.

Faster performance and ease of use

- Scanning is fast and accurate thanks to the single-pass two-sided automatic document feeder with ultrasonic multifeed detection.
- The large, tablet-like, button-free touchscreen will help you intuitively complete every task, from the basic to the complex.
- An Intelligent Storage Drive (ISD) is standard on this model, providing faster startup, faster data retrieval and more reliability.

Ready when you are

- Long-life fuser and imaging components extend uptime.
- Unison™ Toner replacement cartridges deliver up to 55,000 pages** of high-quality printing.
- Steel frame and durable design stands up to heavy use and harsh environments.

Make a statement with professional color

Enjoy the benefits of vibrant, professional-quality output allowing you to do more color printing in-house—saves time and money. Match corporate colors on marketing collateral and brand-sensitive text and graphics with PANTONE® calibration and Lexmark Named Color Replacement.

Secure by design

- Lexmark security features help keep your information safe—in the document, on the device, over the network and at all points in between.
- Always improving security, we now include a standard Trusted Platform Module***, which delivers authentication, system integrity checks, and cryptographic capabilities to create a unique digital system fingerprint.

Sustainability matters

- Automatic two-sided printing is standard, along with built-in energy-saving modes that help support ratings of EPEAT® Silver and ENERGY STAR® certified.
- The award-winning Lexmark Cartridge Collection Program (LCCP) and Lexmark Equipment Collection Program (LECP) minimize waste and support recycling (availability varies by country).

Power up with IoT

- Sophisticated, IoT-enabled printers are loaded with sensors that continuously monitor hundreds of data points.
- When you connect your device to Lexmark Cloud Services, you can optimize performance and uptime with additional features like predictive service and automatic supplies replenishment.

With the new CX833se color A4 multifunction printer, you get reassuring versatility, exceptional sustainability, and surprising simplicity from such sophisticated technology. Boost your productivity with vivid prints — up to 55 pages per minute*. Intuitively navigate the 10-inch (25 cm) color touchscreen, and save time with single-pass two-sided scanning. Effortlessly create everything your business requires, and custom configure your multifunction printer with interchangeable options tailored to your needs.

Versatile: Easy to Use

Create everything your business requires and anything you can imagine — from standard office documents to marketing brochures, booklets and posters — with broad media size support, high-volume printing, and exceptional paper handling and finishing capabilities.

Print vivid, colorful visualizations, charts and documents with professional color features (including PANTONE® calibration) and a full range of media sizes so you can effectively communicate your ideas.

Easily incorporate your multifunction printer into your workspace with a versatile, configurable design that saves space without sacrificing performance.

Boost your productivity with our rich suite of cutting-edge software and solutions with broad capabilities including scanning paper files directly into your cloud-based storage systems and automatically translating documents into 100+ languages.

Further your organization's digital transformation with direct integration into your critical workflows and core business systems using these IoT-enabled devices.

Simple: Easy to Manage

Quickly do what you need to do using an intuitive operator panel and easy-to-follow navigation.

Easily maintain your devices with one-handed toner replacement, easy-to-reach serviceable areas, and alerts that are simple to understand.
